

## 22J011 – Junior Communications Manager (m/f/d)

Title: Event management, public relations, science communication

### Context

The European Institute for Energy Research was founded by EDF and the KIT in 2002 aiming at enhancing collaboration through joint projects applied to industrial issues. With its applied research orientation EIFER is bridging the gap between science and industry since more than 15 years. In the context of the European energy transition, EIFER provides research-based innovative energy solutions for the sustainable growth of cities, local communities and industries.

The Communications Department of the European Institute for Energy Research (EIFER) is seeking support in the form of a junior communications manager. The job includes event management, public relations and science communication.

### The assigned tasks involve

- Assistance in planning and implementation of the "20 years of EIFER" celebration event in October 2022
- Assistance in media support for events (social media, audio and video production)
- Participant management and correspondence
- Content creation for social media and the website
- General project support

### Required qualifications / skills

The typical profile expected for this position is:

- Degree in communication, media science, marketing or comparable
- Affinity for organization and planning
- Creativity
- Strong communication skills
- Good written and spoken English and German, French would be an asset
- Desirable qualifications: Previous experience in media production, use of Adobe Suite and content management systems, interest in science communication.

### What you can expect

- An international environment as well as a pleasant and open working atmosphere
- Flat hierarchies and short decision paths
- Exciting and responsible tasks
- Attractive retirement benefits
- Family-friendly workplace with flexible working hours
- Possibility of remote work

## Conditions

- Duration: the position is initially limited to 2 years
- Starting date: as soon as possible
- Location: EIFER, Emmy-Noether-Str. 11, 76131 Karlsruhe, Germany and remotely
- Possibility of part-time work
- The salary is based on qualification and experience according to TV-L
